Federal Reserve Board Email comments

Dear Email comments,

Please help stop citizens from one more abuse that continues to catch us unaware and makes life even more difficult as we try to be dependable, honest citizens and do what is right. It is increassingly diffacult to protect ourselves from being taken advantage of in the wink of an eye. How sad it is that industries keep coming up with ways that we need to ask the federal gonvernment to protect us.

Sincerely,

Ms. Darla Moore
