Federal Reserve Board Email comments

Dear Email comments,

Sirs:

It is time that the credit card companies answer to no one attitude comes to an end. . They raise our rates and make us pay the new rates on old balances. I have one card that I receive 2 days after the due date.

After a year of complaints they finally changed. to stop the late payments, I began to pay the bill online. I had to date the payment 45 days earlier than due date or I would have to pay a fee of \$15 for a late online payment. That card was GM Card. They have had the freedom to do whatever they chose and they chose to do many unfair things.

Sincerely,

Mr. Doyle King
