Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

It is about time that the people who go to work everyday to support their families, the people who are retired and attempting to make ends meet and all those people who use credit cards, are treated fairly.

Today we are the cash cows of the credit card industry. Please help us rather than the big corporations.

.

Sincerely,

Ms. Lois Tutino
