Federal Reserve Board Email comments

Dear Email comments,

Your credit card company and mine has more information about us than I have about you so I am unable to further personalize this important message. Know that we are no longer sheep...just as we are reducing our driving to save gas, we will continue to reduce the number of credit cards we use and reduce use of the ones we have. Free trade does not mean we consumers can be abused. Make it clear to credit card companies and their investors the ABUSE MUST STOP or they will be put out of business. Thank you, S Shannon Delray Beach FL...not retired.

Sincerely,

Mr. Stephen Q Shannon
