Dear Email comments,

It is my understanding you have proposed tougher rules for credit card companies. I'm sure you'll get a lot of pressure from the banks/credit card companies to either weaken these rules, or eliminate them completely.

I want to encourage you to stand up for the American people and stand strong on these much needed reforms. Banks have had a blank check for years and have taken advantage by adding new fees every 6 months for one thing or another. Their profits are great-at the expense of the rest of us.

Thank you for taking a stand and I hope you can enact these rules soon.

Sincerely,

Ms. Sonia Olson
