Federal Reserve Board Email comments

Dear Email comments,

I am fortunate that the only credit card trap I have been caught in is the short window to pay. But this does not make me unsympathetic to all of the other "tricks".

The economy is rough, the cost of everything is going through the roof, please make sure that the cost of using a credit card doesn't put people in the poor house..or worse in bankruptcy.

Sincerely,

Ms. Vicki Nelson
