Federal Reserve Board Email comments

Dear Email comments,

I would like to see the credit card co. stop sending out checks where you can spend more & more.

They seem to keep the rates low until they have you in their grip and then spring high rates on you or up your borrowing amount to the point you are in to deep.

I got in deep, but I have nearly got it paid off and hope it has taught me a lesson I won't ever forget. I didn't file bankruptsy but came close.

Sincerely,

Mrs. Letreva Jones
