Subject: Regulation AA

Jun 10, 2008

Federal Reserve Board Email comments

Dear Email comments,

I am hoping that the Federal Reserve will hang tough with regard to regulations that all credit card companies must follow. You have been vigilant in trying to lower interest rates. Such rates must also be monitored by the government with respect to outrageous credit card fees, deception, and unfair policies. Please enact proposed credit card rules ASAP.

Sincerely,

Mrs. Yetta Tropp
