Federal Reserve Board Email comments

Dear Email comments,

It happened to me! Because I was 2 days late on a medical bill. As a result, Chase VISA (we were not late on our VISA payment) nearly tripled our interest rate. Luckily, we had enough money to pay off the balance and cancel that account.

To arbitrarily raise interest rates for minor infractions of another account should be a criminal offense.

Sincerely,

Mr. Chester Oliver  
1500 S Jupiter Rd Apt 107  
Allen, TX 75002-4140
