Federal Reserve Board Email comments

Dear Email comments,

We have become victims of a variety of predatory lending practices fostered by those who are lobbying you to allow the evil practices to continue. No legislator of integrity can stand by and allow their constituents to be misled, misinformed, and tricked into placing themselves in financial jeopardy by unethical (should be illegal) and immoral purveyors of evil, that is, by credit card companies such as Citi Bank, Capitol One, and others.

.

Sincerely,

Mr. Donald Forester
