Federal Reserve Board Email comments

Dear Email comments,

With prices going up on everything rapidly and my income staying the same, I have to charge things on my credit card that I would normally pay for in cash, eg., gas and groceries for a family of four. Then I have charges on top of charges and I never catch up. Something has to be done about the uncontrolled abuses that the banks are perpetrating!

Sincerely,

Mrs. Angela Menoutis  
18 Summerall Rd  
Somerset, NJ 08873-2210
