Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

I am writing to encourage you to stand strong and enact fair reforms for the credit card industry. Increasingly, I find that my credit card companies try to trick me into incurring late fees by changing my due date without prior notice. Such practices are unfair and need to be regulated. Please resist bank lobbying efforts and enact proposed credit card rules now. Thank you for your consideration.

Sincerely,

Mr. Doug Foulk
