Federal Reserve Board Email comments

Dear Email comments,

Please enact the proposed credit card rules ASAP

It is unfair to consumers to pay and never have the credit card debt reduced. I pay more than the minimum payment, but my debt never seems to go down

We are getting monetarily raped right and left with gas prices, food prices and credit card companies. It seems like the government is trying to kill the middle class.

ENACT ASAP

.

Sincerely,

Mrs. Claudia Miles
