Dear Email comments,

Everyone is entitled to make money; but at what cost/sacrifice to the young and uneducated consumer. How many Mercedes can you drive at one time! I do not advocate "socialism,"but rather a "capitalism free from "greed." Full, large print disclosure, fair interest practices, and no tricks will keep America strong and number 1 !!!! Hopefully "The Credit Card" will not be the next "sub-prime lending" crisis

.

Sincerely,

Mr. Andre Cadet
