Federal Reserve Board Email comments

Dear Email comments,

The Federal Reserve is taking action to rein in Credit Card abuses. Americans have been tricked by Credit Card companies. The credit card companies don't want to give up their easy profits. That's why we need you to demand real change.

The rules would:

- Stop companies from hiking interest rates on existing balances (unless you pay 30 days late).
 - Stop them from applying your monthly payment to low-interest debt first.

 - Give you time between the bill and the due date so you can always pay on time.
 - Stop interest charges on debts paid off the previous month.
- Please do everything you can to ensure these measures pass.

.

Sincerely,

Mr. Eric Hendry
