Subject: Regulation AA

Jun 10, 2008

Federal Reserve Board Email comments

Dear Email comments,

I am amazed that the principle of usury that was relevant through centuries of history, have been ignored with the reality of regulation being necessary to protect capitalism from itself. No regulation leads to CHAOS and misery for all.

Sincerely,

Mr. Christopher Warren
14194 SW Barrows Rd Apt 1
Tigard, OR 97223-2055
