Dear Email comments,

Please do everything you can to enforce tough rules for credit card companies. I had the experience of being \$.01 too low in a full payment of a monthly bill of more than \$1,500 and being charged interest on the full amount (and I pay my balance in full every month). That's just theft. Please stop them from stealing from us and charging usurious rates for every excuse they can think of. Enough is more than enough! Thank you.

Sincerely,

Ms. Marilyn Wood
