Subject: Regulation AA

Dear Decision Maker,

As a hard-working middle-class American, I am one of millions of people faced with increasingly difficult financial struggles. Often, I must turn to credit as a short-term solution, but unfortunately for many people, this option is made more difficult and much costlier than it should be.

Thank you for proposing new rules (Regulation AA - Unfair or Deceptive Acts or Practices - Docket No. R-1314) to curb some abusive credit card lending practices that drive consumers deeper in debt. I urge you to implement these rules in their current form as soon as possible to provide relief to people like me who just want a fair deal from credit card companies. Sincerely,
