Federal Reserve Board Email comments

Dear Email comments,

Credit cards are killing people like me trying to pay off their cards.  
Little fees add up, try paying your card when it's due on a Sunday!  
Tell them to stop sending unwanted checks on your credit line, in the  
mail which can lead to identity theft!  
credit cards are happy when your in debt and they want to keep you  
there so as to rake in the money.  
Please overview the industry from the people's view and not the big  
corporations!

.

Sincerely,

Mr. Anthony Werdein
