Federal Reserve Board Email comments

Dear Email comments,

Please stop the needless taking advantage of innocent consumers by the credit card companies. I am a Certified Financial Planner and see this

so many times in my practice. The small print that most people wouldn't understand anyway is designed to take advantage of people for the sake of excessive profits. Please limit the maximum credit card rates and the charges they can impose to those of a reasonable nature.

Sincerely,  
Michael DiMartino, CPA, CFP

.

Sincerely,

Mr. Michael DiMartino
