Federal Reserve Board Email comments

Dear Email comments,

Please roll back the clock when Credit Card companies where ethical in their policies with customers. Please pass a law limiting their

ability to take advantage of customers. This is a request for Congress to act in a moral manner with the proper governing of an industry that is acting in an immoral, outrageous manner. You, as our representatives, have allowed this, now make the proper provisions to change it & act on behalf of the people you took an oath to defend. Thank you for your immediate attention to this request.

.

Sincerely,

Ms. Dottie Borcharding
