Federal Reserve Board Email comments

Dear Email comments,

PLEASE reign in the unfair, excessive financial "thefts" that occur each month from the credit card companies. There should be NO interest hikes on existing balances and the consumer should be able/allowed to choose where their payments are applied. If changes are NOT implemented immediately, millions of hard working Americans will never be able to achieve "debt free" status while the credit card companies get wealthier and wealthier!

.

Sincerely,

Mrs. S. C. Worrell
