Subject: Regulation AA

Jun 10, 2008

Federal Reserve Board Email comments

Dear Email comments,

It is way past the time that this industry is better regulated. With rules designed to harm even the best consumers and legal terms that even lawyers say they cannot fully comprehend these businesses have gotten away with too much for too long.

We need tighter restrictions, clear language terms and even educational tools that inform consumers of the results of actions they may take with regard to their accounts.

Sincerely,

Mr. Robert Weld
