Federal Reserve Board Email comments

Dear Email comments,

Dear Members of the Federal Reserve,
We need your help in ending these practices used by credit card companies that are unfair to the consumer. Please stop these companies from hiking interest rates on existing balances or applying my monthly payment to low interest debt first and please make them give us time between the bill arriving and the due date so we actually have time to pay our bills on time.

Thank you for making this happen

Sincerely,

Mrs. Mary Alison Castleberry
