Federal Reserve Board Email comments

Dear Email comments,

I had always thought usury was illegal in this country. It doesn't really matter does it if these little tricks get around such rules. I had been subject to one credit company's game of holding up posting after receipt of payment to get a "late" fee. They got cancelled in a hurry. But then, I have the time to pay attention. Most don't. please support the Federal Reserve rules.
Thank yo.

.

Sincerely,

Ms. Barbara Gunther
