Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

As a Senior Citizen with a fixed income, today's economy, with ever increasing fuel and medical costs, causes us to struggle financially just to keep up, let alone stay ahead of the game. Establishing

tighter, yet reasonable limits that restrict credit card companies from

arbitrarily imposing rate increases on consumers, is just one more step towards helping to keep the ever increasing financial burdens we face under control.

.

Sincerely,

Mr. Robert Bebee
