Federal Reserve Board Email comments

Dear Email comments,

It is high time that the abuses of some credit card banks and credit card companies are stopped. The tricks they use to increase their ill-gotten profits should be a crime. I don't see how their CEO's can sleep at night.

Please do the right thing and protect the American people from these vultures. Don't let them continue in effect stealing from the poor.

.

Sincerely,

Mr. Danny Smith
