Federal Reserve Board Email comments

Dear Email comments,

Credit debt is killing the people of this country. They need as much relief from the predatory credit card companies as they can get. Please enact strict measures to prevent credit card companies from jacking up their fees unfairly and manipulating their customers into paying more, more, more all the time.

.

Sincerely,

Ms. Ditra Walsh  
PO Box 158  
New York, NY 10014-0158
