Federal Reserve Board Email comments

Dear Email comments,

While the economy is spiraling down and we are all having problems meeting our financial responsibilities , the credit card companies are

having a field day lining their pockets with the unreasonable fees they are tacking on to our already stressed credit.

It is time to hold them accountable and stop their unethical practices.

.

Sincerely,

Ms. Annette Cain  
414 Starr Ave  
Miltonvale, KS 67466-9770
