Federal Reserve Board Email comments

Dear Email comments,

The long-standing, honorable concept of "usury" has been ignored long enough! Our legislators have, over time, favored credit card companies to the detriment of "the little people."  
Please put an end to this and re-establish a lost (but essential to a free, republican democracy) philosophy that usury is not tolerable.

.

Sincerely,

Mr. William Sigmon  
4955 Duckworth Cir  
Morganton, NC 28655-8743
