Federal Reserve Board Email comments

Dear Email comments,

One credit card bill I receive arrives in my mail only eight (8) days before the payment due date. Even if I mail it the day the bill arrives, it is impossible for it to be delivered and posted by the due date.

Thank you for your efforts on behalf of American consumers. The rules you are proposing will go along way towards helping credit card users fulfill their obligations without paying fees designed to keep them in debt and pad the pockets of bank executives and board members. Please remain vigilant in your efforts.

Sincerely,

Mrs. Brenda George
