Federal Reserve Board Email comments

Dear Email comments,

Please support and enact the new Federal Reserve rules being voted on into law. The taxpayers need as much help these days as possible. I urge you to help rein in these abusive tactics, used by credit card companies, and now, even, consumer loan and mortgage companies, too.

Stop companies from hiking interest rates on existing balances (unless you pay 30 days late).

Stop them from applying your monthly payment to low-interest debt first.

Give you time between the bill and the due date so you can always pay on time.

Stop interest charges on debts paid off the previous month.

.

Sincerely,

Miss Robert Terrell
