Federal Reserve Board Email comments

Dear Email comments,

Please enact R-1314 and consider further consumer supporting actions in the near future. I am sure you understand that shortterm thinking on

the part of businesses, showing up as the abusive practices that R-1314 begins to address are deeply harmful to America's longer term future.

Please take this action now and continue to seek an appropriate balance between consumer and business interests.

.

Sincerely,

Mr. Jeff Hinton
