Dear Email comments,

It is very frustrating trying to deal with the credit card companies. After some rough times for my family in 2001, we have worked very hard to rebuild our good credit rating. It is unfair and disheartening to

have a credit card raise it's rates for no real reason. Please, support these new rules to make the credit card companies play fairly and stop

hurting American families who are struggling during this tough economic time.

.

Sincerely,

Ms. Shirley Gedney-Rubel
