Federal Reserve Board Email comments

Dear Email comments,

Unfair rate hikes, manipulation of dates to catch the unwary off guard as to payment date, applying payments to low-interest rates first, and

charges on debts already paid.....These are just a few of the ever increasing tactics to profit from an unfair playing field. It is time to stand firm and reign in on creditcard company abuses.

Thank you for recognizing their abusive behavior and for setting rules for a fairer playing field.

.

Sincerely,

Ms. Dolores Cantrell
