Federal Reserve Board Email comments

Dear Email comments,

Lets make a change! Stop companies from hiking interest rates on

existing balances (unless OVER 30 days late) .. STOP them from applying monthly payments towards low-interst debt FIRST... Give consumers a time BETWEEN the bill and the date it is due so more pymts would be on time... STOP interest charges on debts paid OFF the previous month!! This is NOT FAIR.... Thank you for listening, Please HELP!!

.

Sincerely,

Mrs. Lisa Burnett
