Federal Reserve Board Email comments

Dear Email comments,

Also do not allow them to stuff envelope with all sorts of offers.  
They should put on the bill they have various offers and if interested  
to check off a box.  
Sending all these tempting offers only encourages those with not  
sufficient income to fall for them and get further in debt. I am sick  
of all these ads falling out of the envelope when I open it.

.

Sincerely,

Mr. Richard W. Firth
