Federal Reserve Board Email comments

Dear Email comments,

I'm being charged an outrageous amount of interest from my credit card company... almost 29%. If any other organization was to charge such a

rate, they'd be labeled as a loan shark. Why are credit card company's

allowed to getaway with such tactics? It has to stop. And, I'm hoping that congress does exactly that.

.

Sincerely,

Mr. Reginald Mullin
