Federal Reserve Board Email comments

Dear Email comments,

Please enact the proposed credit card rules in Docket No. R-1314 ASAP. By not enacting the credit card rules in Docket No. R-1314, you are allowing many banks and credit card companies to unfairly profit off the backs of the poor. If the government will not make and enforce these changes, then what hope do average americans have of being heard and represented?

.

Sincerely,

Ms. Kelli Littlefield
