Subject: Regulation AA

Federal Reserve Board Email comments

Dear Email comments,

Please regulate credit cards companies. They are to pretty much do as they please at this point, and many Americans are finding it harder and harder to get out of debt. With their unreasonable fees and skyrocketing interest rates, often at their own whim, makes it extremely difficult for people to gain control over their bills. Please do the right thing.

.

Sincerely,

Mrs. LeAnn Munson
