Federal Reserve Board Email comments

Dear Email comments,

With the "sky-rocketing" higher costs of FOOD, FUEL, etc (EVERY WEEK!)..it's much more difficult to take care of our legitimate needs. The unfair fees, policies of most credit card cos. are abusive & unfair and must be curtailed....it's like "heads they, tails they win". How about some compassion & fairness for "the little guys"...that's US!!!!

.

Sincerely,

Mr. John McAllister
