Federal Reserve Board Email comments

Dear Email comments,

I am sick and tired of the abuses that credit card companies get away with. In my own experience, many banks will not go past the last year of statements and then want to charge you for statements beyond that

point. On top of that they can change their rates AS THEY PLEASE, which is a joke in itself. IT IS TIME TO ENACT LAWS TO STOP THESE COMPANIES FROM CHEATING THE PUBLIC TO LINE THEIR OWN POCKETS. As an elected official I expect you to be my voice and tackle this concern and stop the never ending nonsense. Thank you

.

Sincerely,

Mr. Todd Kehl
