Dear Email comments,

PLEASE support these new rules. I learned most of the tricks the Credit Card companies play quite awhile ago and am always on guard for new

ones, BUT I have 6 grand-children from 24 down to 10 years of age. The 24-year-old and his wife have already been bitten once and that was only one trick; there are plenty more waiting for all of them unless you do your duty and take action.

.

Sincerely,

Ms. Violet O'Neal
