Federal Reserve Board Email comments

Dear Email comments,

These Fascist Criminals who are protected by Government agencies should share the Same Jail Cell. Stop allowing them from raping the consumer and Preditory Lending that recklessly places consumers in Jeopardy and further abuses.

Stop companies from hiking interest rates on existing balances (unless you pay 30 days late). Stop them from applying your monthly payment to low-interest debt first.

Give you time between the bill and the due date so you can always pay on time. Stop interest charges on debts paid off the previous month.

Sincerely,

Mr. Gary Lampman
