Federal Reserve Board Email comments

Dear Email comments,

Some of the the fair things we want to have established and written into law are to:

- * Stop companies from hiking interest rates on existing balances (unless you pay 30 days late).
- * Stop them from applying your monthly payment to low-interest debt first.
- * Give us time between the bill and the due date so you can always pay on time.
- * Stop interest charges on debts paid off the previous month.

Sincerely,

Mr. Babatunde Fodeke
