Federal Reserve Board Email comments

Dear Email comments,

Please enact the Fed's proposed rules that will stop companies from hiking interest rates on existing balances (unless you pay 30 days late), stop them from applying your monthly payment to low-interest debt first, give you time between the bill and the due

date so you can always pay on time, and, finally, stop interest charges on debts paid off the previous month.

.

Sincerely,

Dr. Carl Entemann
