Federal Reserve Board Email comments

Dear Email comments,

Please enact credit card rules so people won't be taken in by the

credit card companies. I had a card a few years ago and was never late and paid my monthly amount. Most of the time I paid more than the minimum. They raised my interest almost doubled what it should be and I paid off the card and never carry a balance on my card. I don't use that card.

.

Sincerely,

Mrs. Georgine Hamilton
