Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Please hang in there and enact tough credit card regulations so they stop abusing Americans. Our economy may hinge on credit card usage, and until credit card companies become fair and transparent, more and more people in this recession-depression are paying off and cutting up their cards--or else going bankrupt. Thanks for your help with this most important economic problem.

Sincerely,

Ms. Morgan Henderson
6 E Wayne Ave
Aldan, PA 19018-4024
