Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Things are starting to get unwieldy and a tad outrageous in this country, considering gas prices (and the corresponding effect on the prices of most everything else), health care costs, etc. You are in a position to help. Please help the American people by enacting the proposed regulations for credit card companies. We need your aid and support.

Thank you for your time.

Sincerely,

Mrs. Karen Tibbetts
