Federal Reserve Board Email comments

Dear Email comments,

Please stop these people from stealing from consumers, they are bottom feeders. I do not carry CC balances, but I have seen what they do to people thru my business, the American people will NEVER be out of debt if these practices continue, it is bad for our country.

This has a much larger effect on people than in their bank accounts, people are depressed, discouraged and hopeless.

Sincerely,

Anna Sicalides
